## 1<sup>ST</sup> & 2<sup>ND</sup> AFTERNOON SUBJECTS:

BIBLE VERSE: Matthew 21:5 (NIV)

Say to Daughter Zion,  
'See, your king comes to you,  
gentle and riding on a donkey,  
and on a colt, the foal of a donkey.

***\*To be recited on Friday, April 23***

SCIENCE: We will likely conclude our unit on animals this week and test over it late in the week. I am sending a vocabulary sheet home for study purposes.

## MATH VOCABULARY & CONCEPTS:

We will finish up our short chapter on English Standard measurement of length and take the test mid-week. We will go from there into a chapter about multiplying by 3 & 4.

***Heads up!*** The 3rd grade math book assumes that multiplication facts of 1-5 have been mastered. So, it is a good idea to work on that this summer if your child doesn't know them by the end of 2<sup>nd</sup> grade.

## OTHER MATTERS TO NOTE:

Major emphasis for  
remaining weeks of second grade:

- Increased ability to work independently, including the ability to read, understand, & follow written instructions *accurately*.
- Increased ability to listen, understand & follow oral directions (*more than 1*).
- Know the *6 syllable types* and how to use them for attacking multi-syllabic words.
- Develop paragraph writing skills: include a main idea/topic sentence and supporting detail sentences.
- Become familiar with the steps of the writing process: plan, first draft, revise, edit (able to recognize & use editing marks) & publish final draft

I just wanted to let you know that these are the skills Mrs. Braafhardt & I think are important to work on in preparation for life in third grade and an all-day combination classroom.
